

Roti is a circle.

Bread pakoda is a triangle.

Barfi is a square.

Chakli is a spiral.

Vada is a ring.

Patishapta is a cylinder.

Patishapta is a Bengali sweet dish made of refined flour, coconut and jaggery.

Pomfret is a hexagon,
when cut from the middle.

Dosa is a cone,
when folded from the end.

Halwa has no shape.
It takes the shape you give it.

They all come together
and become a food
monster.

I chase the food
monster around
the plate.

And eat it with a
chomp, a crunch, a
crackle and a smack!

Food Monster

(English)

From roti to dosa and chakli to barfi, there are different kinds of food you can eat across India. But have you ever thought about the shape of these food items?

This is a Level 1 book for children who are eager to begin reading.

Pratham Books goes digital to weave a whole new chapter in the realm of multilingual children's stories. Knitting together children, authors, illustrators and publishers. Folding in teachers, and translators. To create a rich fabric of openly licensed multilingual stories for the children of India and the world. Our unique online platform, StoryWeaver, is a playground where children, parents, teachers and librarians can get creative. Come, start weaving today, and help us get a book in every child's hand!
