Where did you go today?
I went to the market with
my father.

What did you see at the market?

I saw orange popsicles at the market.

What else did you see at the market?

I saw a pink cotton candy at the market.

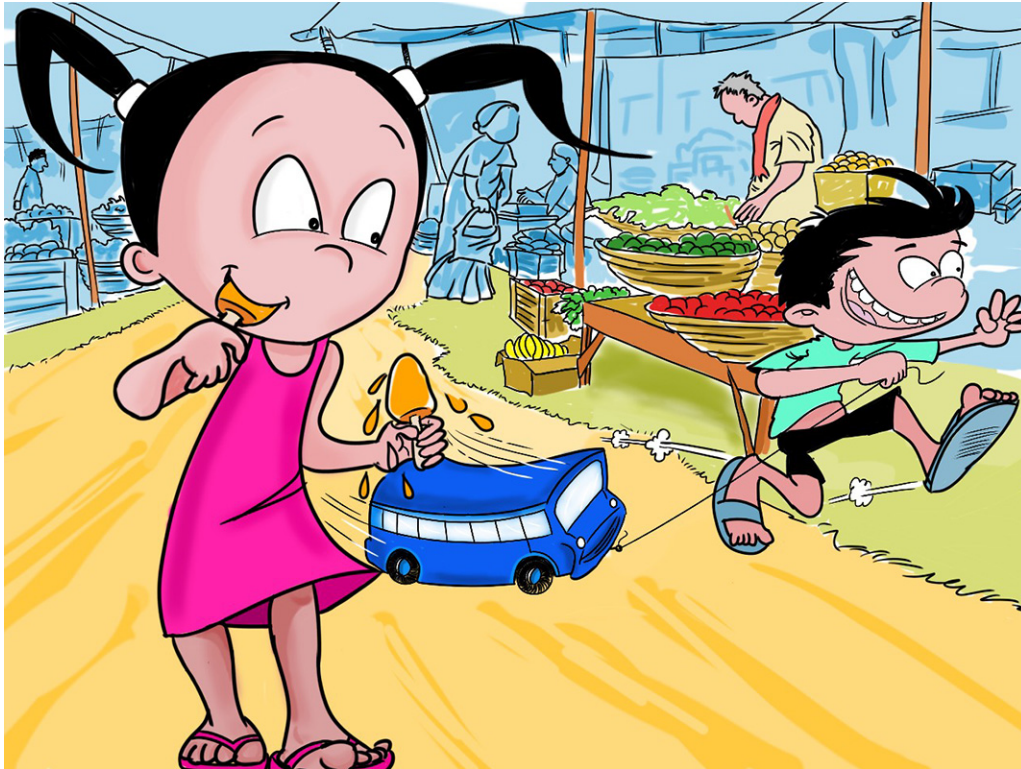

What else did you see at the market?

I saw a green balloon at the market.

What else did you see at the market?

I saw a brown flute at the market.

What else did you see at the market?

I saw a blue toy bus at the market.

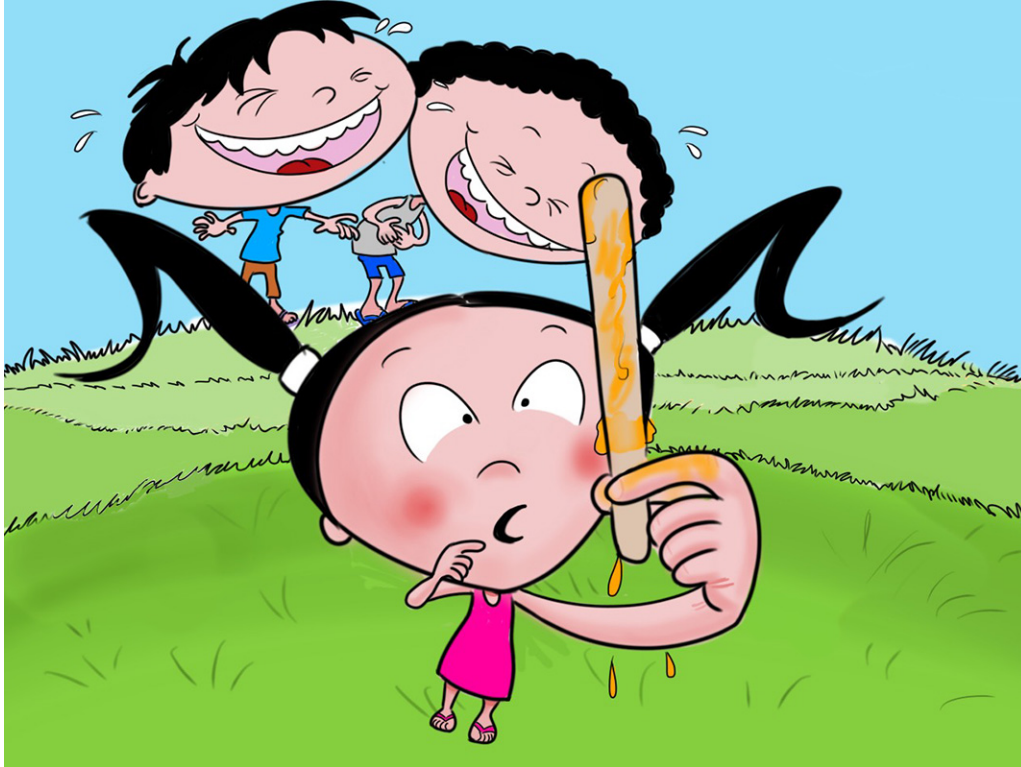

What else did you see at the market?

I saw a yellow skirt at the market.

What else did you see at the market?

I saw black sunglasses at the market.

You say you saw orange
popsicles at the market?
And where is your orange
popsicle?
Why, I ate it, of course!
