Level 1

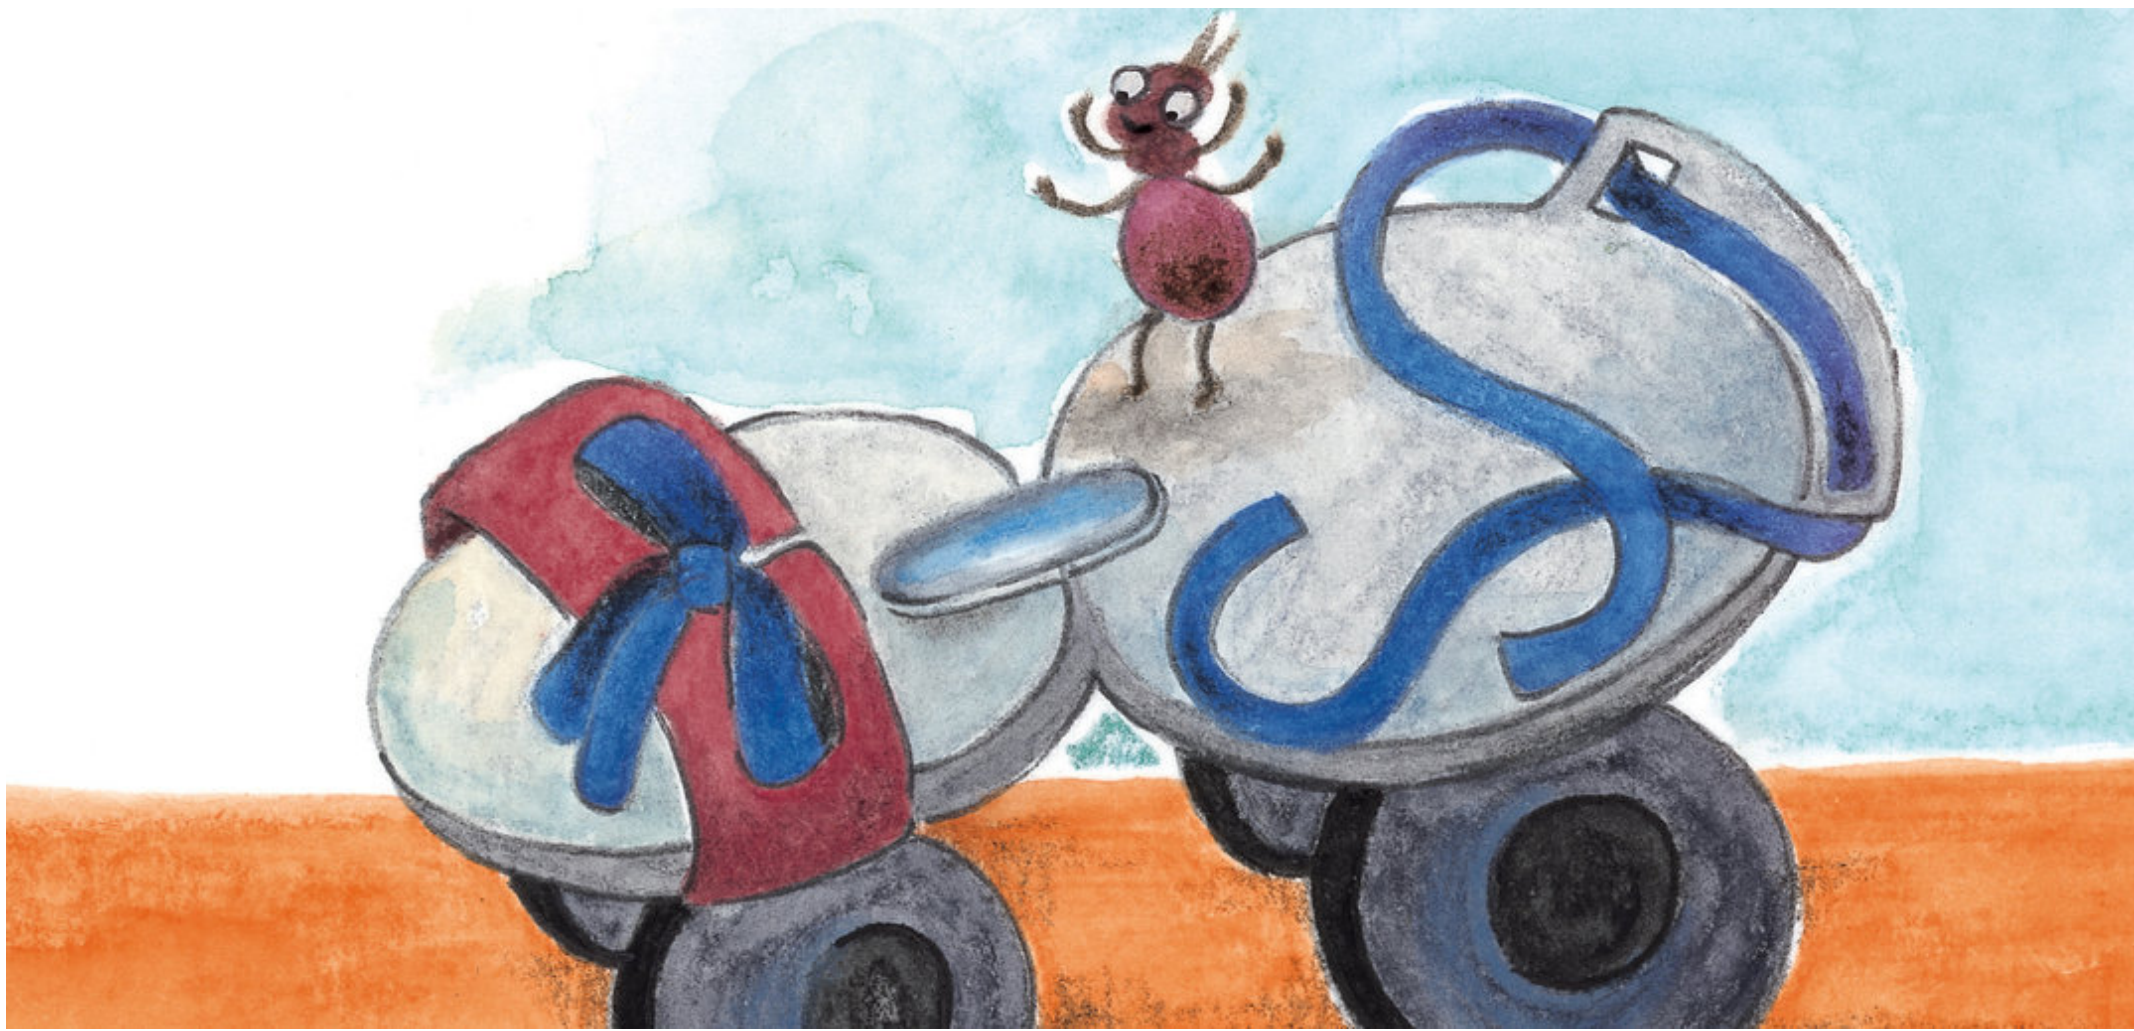

Troy " I want to know where do these ants go".

They go up the shelf to eat biscuits.

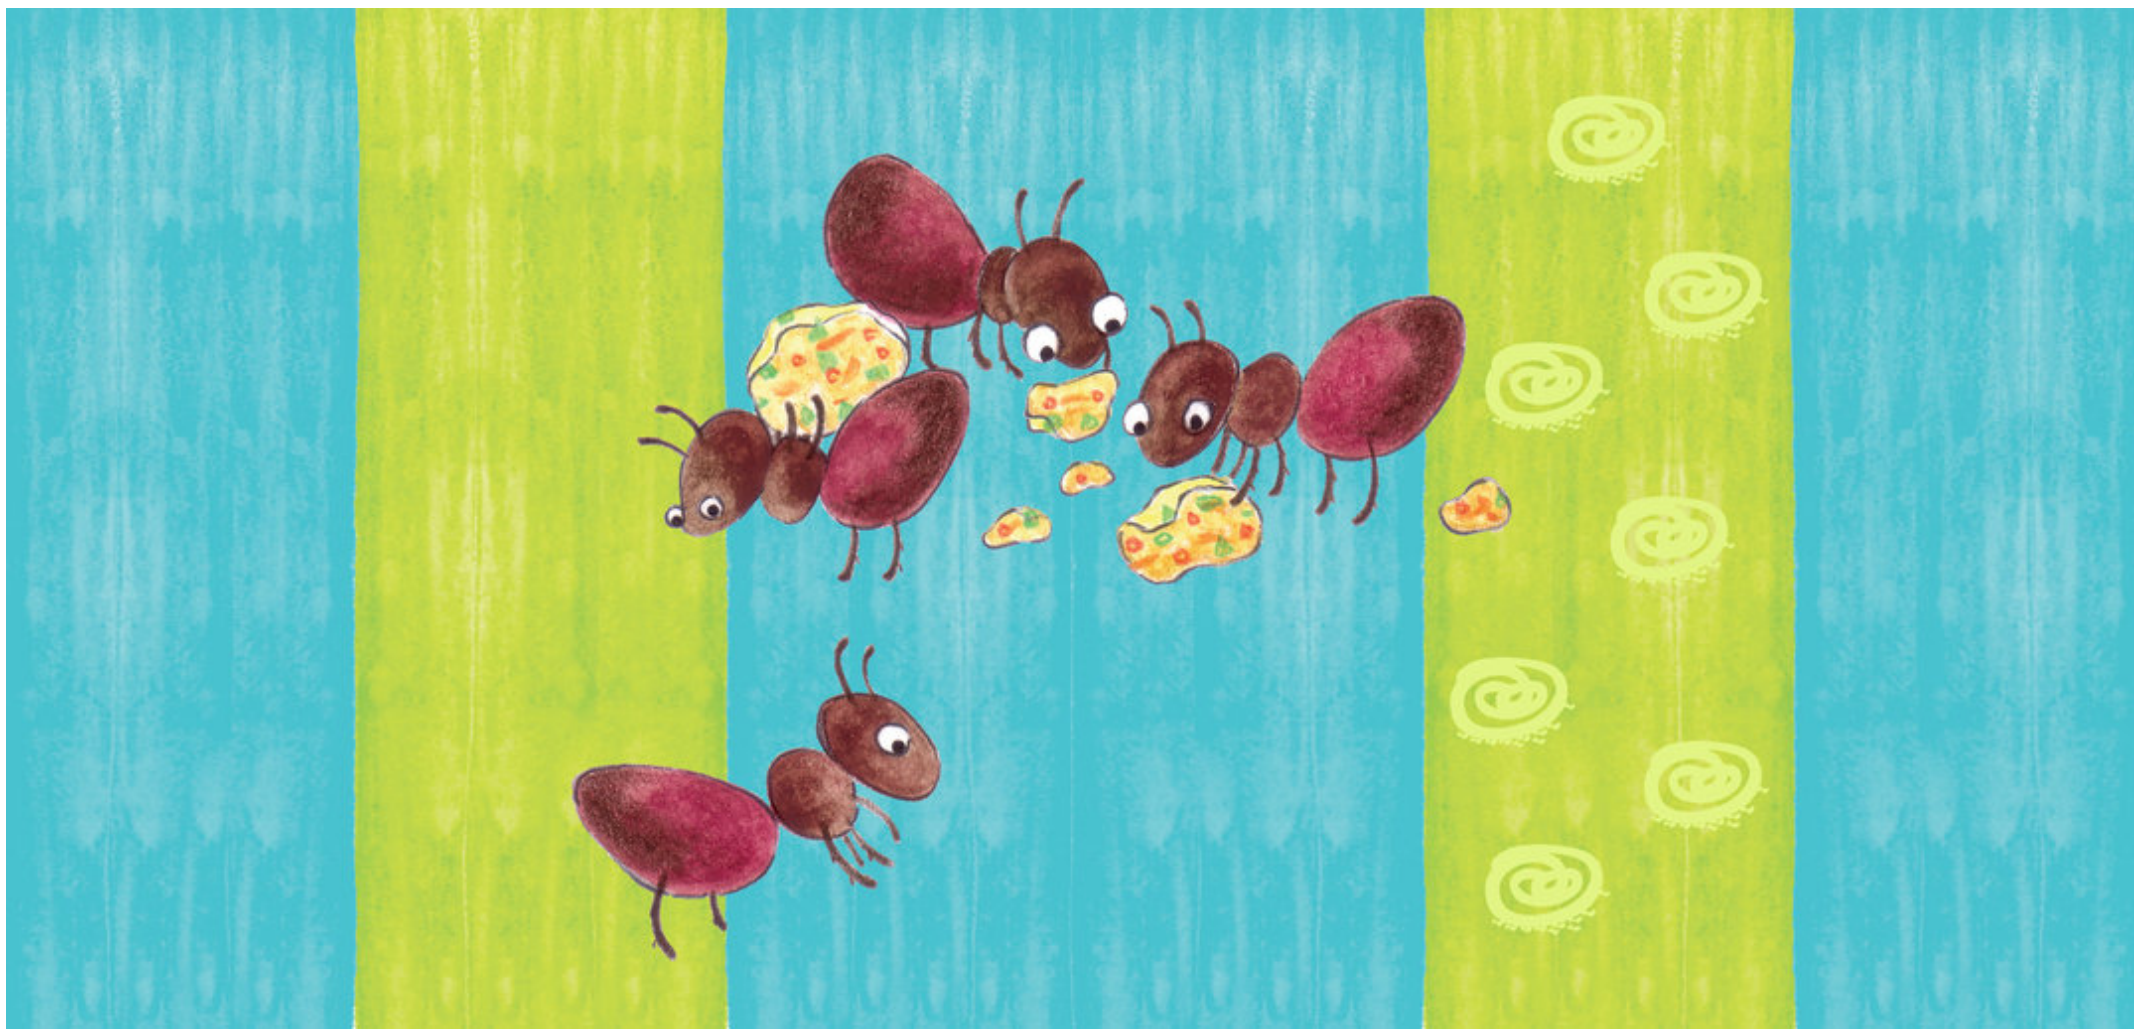

And up the dining table for the cake.

Haha! This one even uses my roller skater.

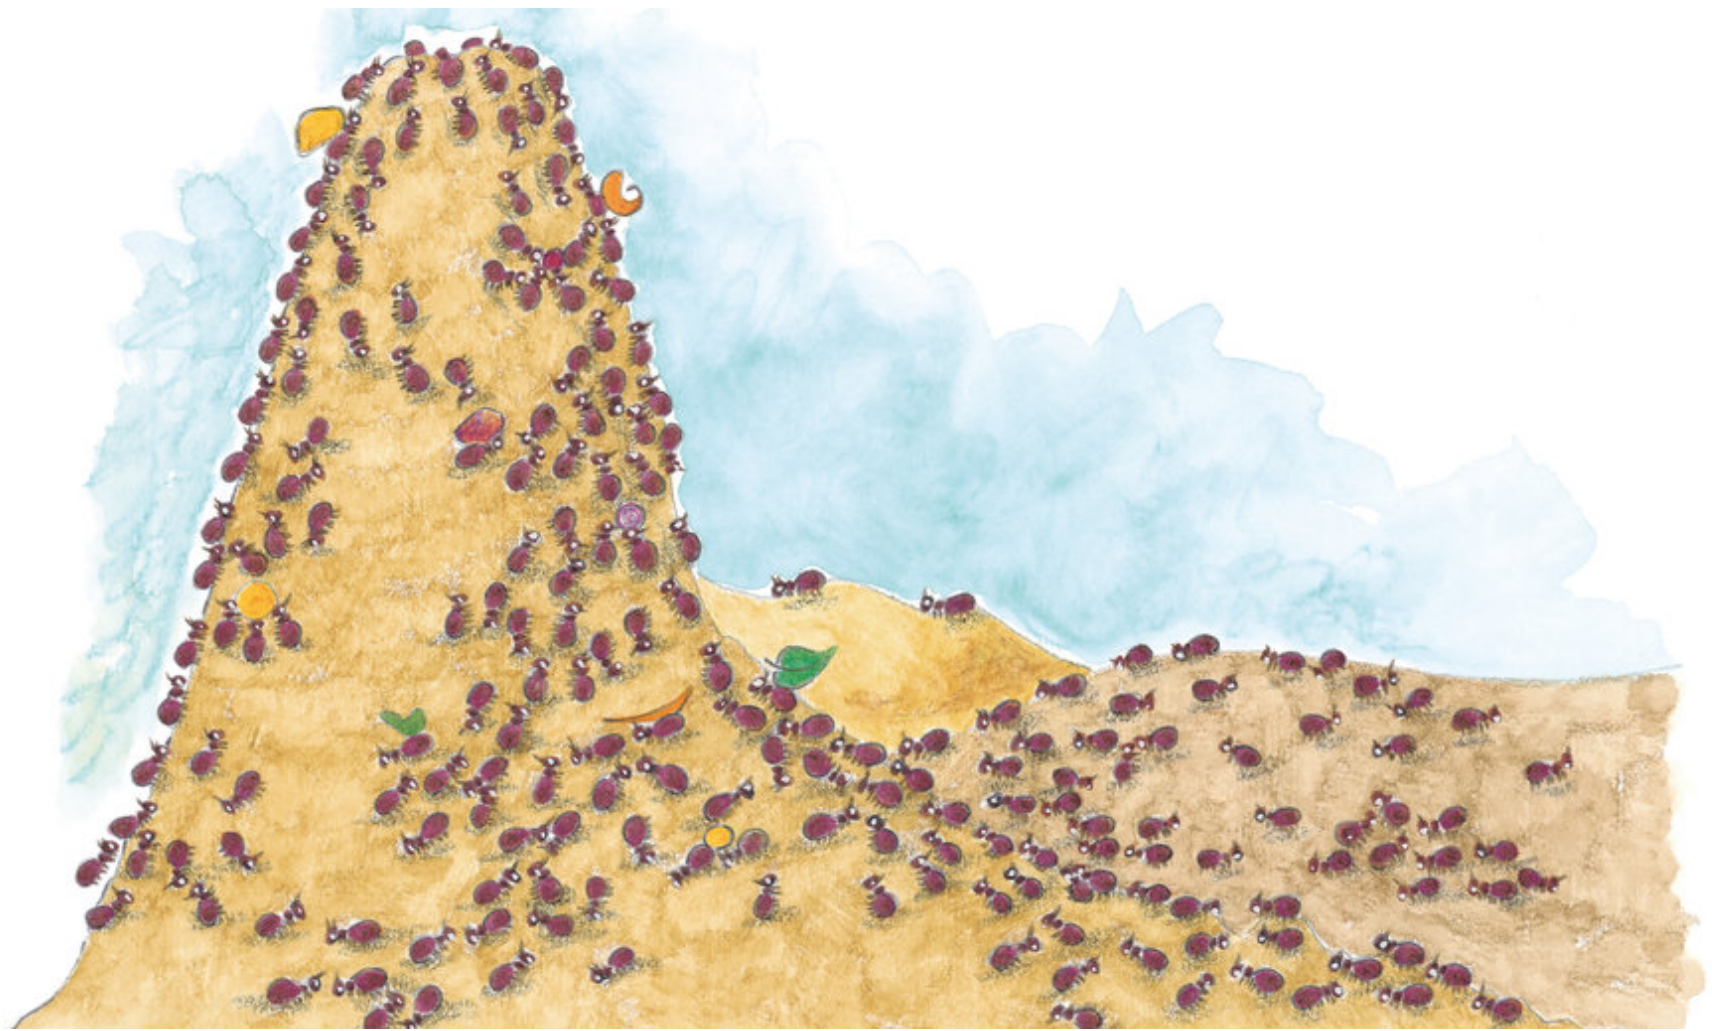

Look at them, how happily they are enjoying the sweets.

Crunching and Munching...

They can smell danger.

So many! So this is where they live.

Umm... Where are they going now?

Oh, No! My lollipop.
