

Let's Fly a Kite!

रोचक दाहाल

शान्ता हिताड़

letsreadasia.org

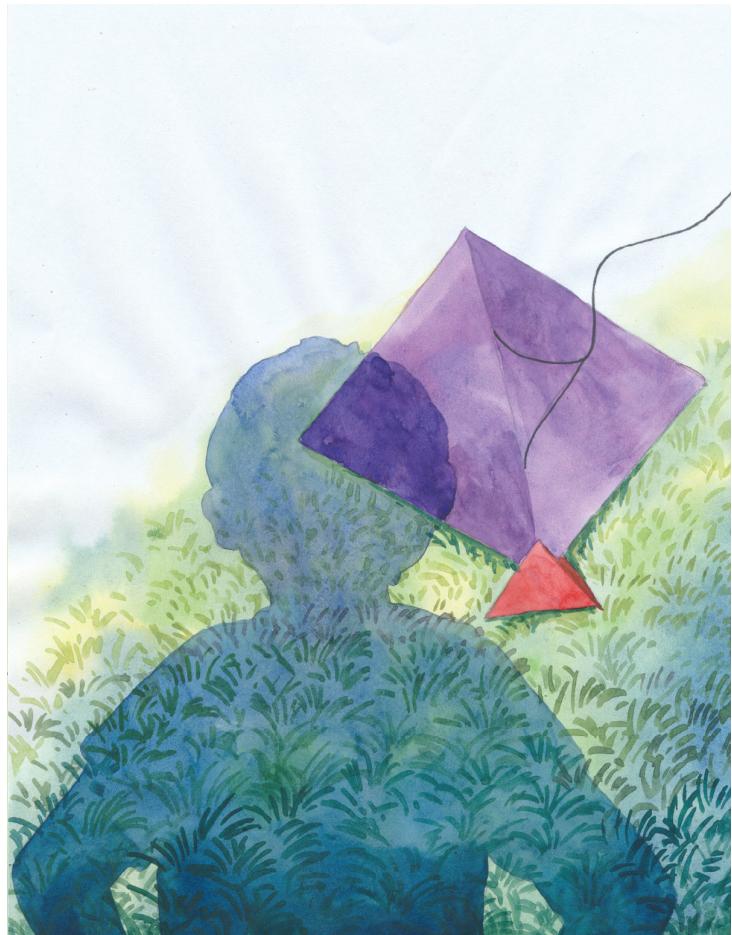

'Let's fly a kite today!' said Jivan. 'But how does a kite fly?'

'You need wind to fly a kite', said Ramila,
Jivan's sister.

'Wind?' said Jivan. 'Oh! I'll blow on the kite!'
Fuuhhhhh! Fuuhhhhh!

But the kite did not fly.

'Not enough wind' Jivan thought. 'Oh! I'll use this small fan on the kite!'

Whummmmm! Whummmmm!

But the kite did not fly.

'Still not enough wind' Jivan thought. 'Oh! I'll use this electric fan on the kite!

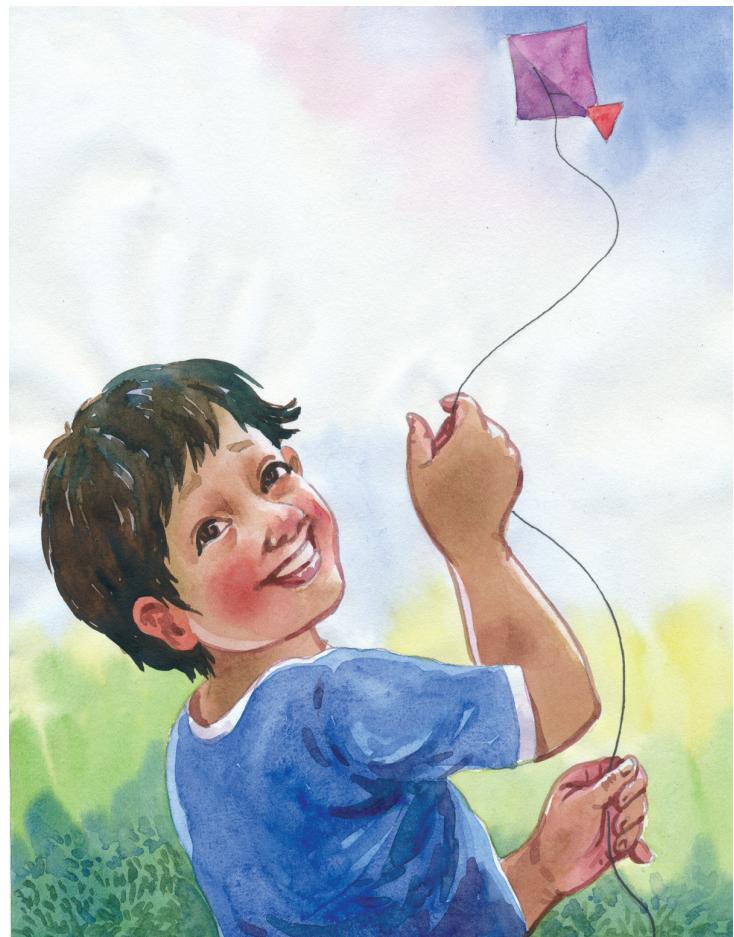

Whirrrr! Whirrrrr!

But the kite still did not fly. Jivan was worried that his kite could not fly.

Just then, a breeze blew. The kite began to flutter.

The breeze became a strong wind, and finally,
the kite soared up the sky!
